[*Song for Communion Reflection - Do it Again*](#)

Discussion & Prayer Guide

After watching the message, we encourage you to walk through these questions and pray through these requests - either on your own or with those you are watching with.

Discussion Questions:

1. What stood out to you in the reading from Ephesians this morning (Eph. 2.11-22)?
2. In what ways does our culture encourage independence over interdependence? Where do you see this message emphasized?
3. Why is it so critical for the church to be unified as one, working together for the spread of the gospel and the kingdom of God?
4. Why does Jesus have to be our foundation for unity?
5. What is God calling you to do as a result of this message? How can you practically evaluate your life and pursue peace and unity?

Pray For:

- **Spend some time thanking God** for destroying the barrier between us and him through Jesus.
- **Pray that God would fill** you with His Spirit of peace.
- **Pray God would give you humility** to see areas of your own life where you need to pursue more peace and unity in His name.
- **Pray that we as the church would be obedient to pursue the unity** God has called us to, and for clarity on what that practically looks like day-to-day.
- **Pray for freedom for all** in Christ and that the church would carry this message to all the places and spaces we've been called.
- **Pray for unity and reconciliation** - for the church universally, in America, and the church family at United to be reconciled to God and to one another.
- **Pray for change and healing in our country and in the church** - through the transformative power of the Holy Spirit working in and through followers of Jesus.
